## SALES FINANCE COMPANY FORM 361-A-AR

### 2024 NH ANNUAL REPORT

#### GENERAL INSTRUCTIONS

1. Information provided in this form is aggregated with similar license types and an analysis is published by the New Hampshire Bank Commissioner in the Annual Report to the Governor and Executive Council. The accuracy of the information is also important because it will be used by the New Hampshire Banking Department ("the department") if assessment calculations are needed.
2. A Sales Finance Company who surrenders its license during the 2024 calendar year must file this annual report form, along with a NH License Surrender Form, within 15 days from the date the company ceases business in New Hampshire.
3. All Sales Finance Companies continuing to be licensed in accordance with NH RSA 361-A or whose license expired on December 31, 2024 and who were licensed during any period of time during the preceding calendar year must complete and file this report with the department on or before March 31<sup>st</sup> of the ensuing year.
4. Complete each schedule; do not leave any blanks. Reports with blanks will be deemed as "not filed" for purposes of any penalty. If an item is not applicable to the business conducted by the licensee, enter "N/A", "none", "O", or "zero".
5. **SAVE YOUR CALCULATIONS.** Work papers used to calculate and compile the information required by this form must be retained and made available when the licensee is examined by the department. It is not sufficient to try to re-create the work papers at examination.
6. This report must be filed if a license was held for a portion of the reporting year and must be filed even if no loans were originated, brokered or made. **The report, signed under penalty of unsworn falsification pursuant to NH RSA 641:3, must be uploaded to the NMLS document upload section and filed under Additional Documents no later than March 31, 2025.** Failure to file the annual report or late filing of the annual report results in a statutory penalty of \$25 per day for each day the report is overdue.
7. No fee is required to file this annual report.
8. Round dollar amounts to the nearest whole number.
9. If any information reported on the annual report is discovered to be inaccurate, the entity must file an amended report immediately. Amended annual reports **must be uploaded to the NMLS document upload section and filed under Additional Documents.**
10. Do not double count sales finance company loan or lease transactions. Categorize loan transactions by deciding first whether each transaction was 1) a loan or 2) a lease, and then secondly by deciding whether the loan was 3) funded by the company (installment contracts, direct loans), or 4) purchased by or assigned to the company (indirect loans purchased from another company by the licensee).
11. Definitions:
  - "**Gross Revenue**" means all revenue from whatever source received by the licensee on NH loans and leases, before any expenses are deducted. This does not include repayment of principal. .
  - "**Motor Vehicle**" means any device propelled or drawn by any power other than muscular power, in, upon or by which any person or property is or may be transported or drawn upon a highway, excepting power shovels, road machinery, buses, agricultural machinery, house and boat trailers, all-terrain vehicles, snowmobiles, and similar recreational vehicles designed primarily for off-road use.
  - "**Sales Finance**" activity refers only to motor vehicle financing. Other financing conducted through use of retail installment contracts, but not for motor vehicles, may need to be reported as Small Loan activity under NH RSA 399-A.
